  Not available

\*Figures tested in accordance with ADR81/02 (combined test). Figures stated for the purposes of comparison amongst vehicles only. Actual fuel consumption depends on factors such as traffic conditions, vehicle condition, how you drive and any accessories fitted.

‡Leather-accented features and upholstery may contain synthetic material.

‡Towing capacity is subject to towbar/towball capacity and is based on the fitment of a Genuine Nissan towbar. Towing capacity figure described is a maximum figure.

Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

‡Driver's aid only and should not be used as a substitute for safe driving practices. Always monitor your surroundings when driving.
